

# **MAKE MASKS OPTIONAL LAST TWO WEEKS**

Smile West Ada is a group of parents who want masks optional the last two weeks of this school year. Support us by joining today, and we'll speak with one, clear, powerful voice at the next School Board meeting on May 11th.

The site is free, we protect your privacy, and we don't have an agenda beyond seeing all those smiles in West Ada classrooms before the end of this year.
